

ADVANTAGE SPORTS COMPLEX

Brings

Beach Volleyball to the metroplex!

Beach volleyball is quickly gaining popularity across Texas and especially in the DFW area. Here at TAV Beach we want to provide all athletes, the opportunity to learn about and to play beach volleyball. TAV Beach offers two different programs, giving athletes of all skill levels the opportunity to grow.

Our Elite Beach Squad is designed for athletes that want to unleash their own passion for the game and pursue a high level of competition. This program is intended to give those highly committed athletes exposure to college coaches.

Our Seasonal Beach Squad is designed for athletes that want to commit one season at a time. This is ideal for those who still have a strong focus on their indoor game.

Our goal is to offer the best beach volleyball instruction possible for all athletes. Our program teaches: Excellence / Pride / Professionalism / Integrity / Dedication / We aspire to create a supportive atmosphere and a positive experience that will allow our players to reach success at the highest level.

This summer, ASC will open premiere sand courts with 18 to 24 inches of white, bleached sand. Courts will be lit giving us the flexibility to practice any time day or night. And our courts will be equipped with a built in drainage system enabling our program to function with minimal weather cancelations. TAV Beach facilities will also be available for Jr. Beach volleyball / adult leagues / Beach tournaments and corporate & party rentals.
