REDEFINE FUNDRAISING.

Forget about traditional fundraisers that involve selling or spending extra money. With scrip fundraising, families can easily earn for their non-profit organization while they shop. Simply use scrip gift cards for everyday purchases, and earn a rebate on each one at no additional cost.

Would you Like to Join Your Group's Existing Program?

Does your organization (like your school, church, or local team, social group, etc.) already have a scrip program? If so, enrollment is still so easy to get you paired up with your organization. All you need to do is ask your organization's scrip coordinator for the enrollment code and you'll be on your way to creating your free ShopWithScrip account. Once you have the code, click the button below.

Coordinator Guide PrestoPay details for program coordinators.

You currently do not have a PrestoPay account. Would you like to activate one?

PrestoPay is a convenient way for you to pay your organization for your order on-line, at the time you place your order. With PrestoPay your payment will be electronically deducted from your checking account, and GLSC will accept your payment on behalf of your non-profit organization.

Once you have successfully enrolled, and verified your bank account information, you will have the option of paying for your order with PrestoPay. When you choose PrestoPay, GLSC will debit your bank account for the amount of your order plus a small convenience fee of \$0.15 on the day you place your order. Your scrip coordinator is notified of your payment and your gift cards will be delivered when your order is released by your coordinator. Contact your scrip coordinator for exact delivery timing.

You can still pay your organization via check, and will have the option to select your payment type each time you order, during the check-out process.

PrestoPay payments are made to GLSC on behalf of your non-profit organization. If one of your families pays for their order with PrestoPay™, and their payment is returned or rejected for any reason, one of the following actions will be taken:

- If the family order has not been released by your organization, we will cancel the family order and CHARGE YOUR NON-PROFIT ORGANIZATION A BANK CHARGE OF \$30.00. Your family will then owe your non-profit organization the \$30.00 fee.
- If the family order has been released by your organization, we will CHARGE YOUR NON-PROFIT ORGANIZATION for the face value of your order, PLUS A BANK CHARGE OF \$30.00. Your family will then owe your non-profit organization that full amount.

Why is this safe?

By clicking "Yes and I Agree" you are stating that you have read, understand, and agree to the Supporter Terms of Use found [here](#).
