

TAV Gold

Dear TAV Families:

TAV Gold is money received thru a sponsored program that will be applied directly to your TAV account, reducing your account balance!! That means you can lower your monthly dues and/or airfare (anything applied to your TAV account).

The beauty of this program is that you **earn money without spending any additional money!** Simply replace your everyday debit card spending of groceries, gas, clothes, eating out, home improvements and travel with gift cards to earn **TAV Gold!** It's **FREE money!!** For the past 2 years (at a different club), this program brought in close to \$33,000! One family earned just shy of \$7,000!!

Sponsored Program

- **Scrip:** ShopWithScrip (SWS) web tool, is a HUGE gift card mall, where you purchase gift cards at face value (i.e. you pay \$100 for a gift card loaded with \$100), but when our organization purchases the card, we purchase it at a discount (i.e. if the rebate is 4%, then we would purchase the \$100 gift card for \$96). The discounted amount, or Rebate ** would be given back to TAV and be applied to your TAV account as **TAV Gold**. SWS merchants give back anywhere between 1-75% rebate.

Listing of Scrip Merchants: <https://www.shopwithscrip.com/Shop/Product/BrandAlphabeticalList>

Types of Gift cards:

1. **Gift Cards** – Plastic cards just like you would get from stores (Purchase by Wednesday 9pm, delivered no later than Wednesday)
2. **Reload** – Purchase cards via #1 above first, then reload the card (next business day turn-around if ordered before 2:30pm)
3. **ScripNow!** – eGift cards that are available within 10-15 minutes of ordering and can be sent as a Gift (used just like a normal gift card)
4. **ReloadNow!** – Purchase cards via #1 above first, then reload the card (around 10-15 minute turn-around)

Purchase your Reloads by 2:30pm and they will be available the next business day. Purchase ScripNow or ReloadNow any time and receive within 15 minutes, unless otherwise stated by the merchant.

TAV Gold will be accumulated during the month and the totals provided to TAV on a monthly basis. Any amounts that are left over at the end of the volleyball season will be carried over to next year’s dues. An 8% holdback on all TAV Gold will be used towards administrative costs (shipping, envelopes, advertising, software etc). A 2% holdback on all TAV Gold will be given to the scholarship program. This is a non-profit program – we are not making any money off of this. This purpose of this program is to specifically help with club dues and/or scholarship funding.

The TAV Gold program is a 365 day program, so orders will be placed ALL YEAR round!

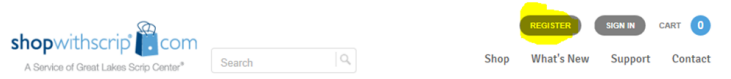

If you have any questions, please do not hesitate to ask! I look forward to assisting you!!
